Opening Song: I'm Gonna Trust In Jesus

STORY TELLER: review last week's story review characters again...

STORY TELLER: Well, the town had all that they could stand! They gathered together outside the church! (All come to center stage, puppets and people, except for the bad boys.)

LOVELY SCHOOL MARM: We can't see at night without the light at the church... How will we find our way?

MR. SPARKLE: What good is a church without the light?

CARI OKEY: (Walks forward to sing, pointing out towards the bad boys - singing towards stage left, as if singing to the bad boys.)

Cue Song: You Light Up My Life (chorus only)

Lyrics:

You, you boys took our light
We got no hope, to carry on,
And now it's so dark,
You filled our lives with fear
You give it back, cuz that's only right
'Cuz you... You boys took our... Light!

STORY TELLER: It was time to do something... So they called in the one, the only: Sheriff Jake Hopper! (From stage right, Sheriff comes galloping in hopping along with a skip, has cowboy hat, chaps, and a long coat on to cover his holster and guns.)

Cue Card #5: "Yay! Cheer! Clap!"

STORY TELLER: His very name brought fear to everyone... He was the fastest, the toughest, the strongest,...

ALL: (Standing stage right in group, frustrated, wanting to get to the point) Can he shoot a gun?

STORY TELLER: Well, somebody told me he was the fastest gun in the west...

CUE BG MUSIC: The Good, The Bad and The Ugly

JAKE: Tell those bad boys... I wanna have a show down! I'll meet them at sunset!

MR. SPARKLE: But, Sheriff Hopper, sunset happens in two minutes!

JAKE: I know, and we only got 4 minutes to end this thing so hurry up and get those bad boys over here... I'm ready!

THE CITY SNICKERS: (From stage left floor stage, at bottom of stairs) **You lookin' for The City Snickers?** (All snickering)

Cue Card #4: "Boo!"

The boys begin up stairs, Bufford has light in bag, they all set themselves three across in front of park, make sure all stand at angle so all three are seen by audience, the boys are set with hands ready to reach for guns, if you don't all have holsters and guns, let Clifford have the one holster and have him closest to audience.

BUFFORD: (Taking light out of bag and holding it up) **This what'cher lookin' fer, Sheriff?**

ALL TOWNS PEOPLE: (Excited to see the light) **The light!**

CLIFFORD: **Say good bye to your church light...** (Dangles it above well) **We're gonna throw it down this here well and you'll be lost without it... Imagine a church without the light!** (Snicker, snicker)

ALL TOWNS PEOPLE: (Shocked) **Huhhhhhh!**

DUFFORD: **What you got to say about that, sheriff?**

SHERIFF: (His arms have been crossed with one hand on chin, as if he's been deep in thought about something else) **Oh,... Ah... That's okay... Go ahead and throw it down the well!**

THE CITY SNICKERS: **What?**

ALL TOWNS PEOPLE: **What?**

SHERIFF: **We don't need that old light!**

MR. SPARKLE: (Overly dramatic) **Our sheriff's gone plum crazy... He's crazy, I tell ya!**

SHERIFF: **Here, let me show you...** (Pulls back his trench coat and reaches for what appears to be his gun.)

DUFFORD: **He's goin for his gun!**

ALL TOWNS PEOPLE: (Shocked and duck down a little) **Huuuuuuuh!**

SHERIFF: **I don't have a gun... I'm goin' for my sword!** (Peruses the bible) **The sword of the Spirit... God's word... You know... The Bible. God tells us right here in Matthew 5:14 (Sheriff points to the kids in audience and to people in the town) "You are the light of the world." So, if you asked Jesus into your life, then you asked the light of the world into your heart... You should shine with the love and the light of Jesus... So I guess that makes you exactly what God says you are... The light of the...**

KIDS: ...World!

LOVELY SCHOOL MARM: (Walking up to the bad boys) **So...** (Points to light in hand of bad boy) **We don't need this here light... Because...** (Points to self) **We are the light!**

MR. SPARKLE: (Walking up to the boys with his hands on hips) **Yeah, we don't need this old light!**

ALL TOWNS PEOPLE: (Walk over towards the boys with their hands on their hips and now the boys are surrounded on the left and the right by all of them) **Yeah!**

CLIFFORD: (Looking nervous) **So... Ah... What are you all gonna do?** (All the boys are covering down, putting their hands and arms about their heads to protect from any blows!)

CARI OKEY: (Looking fearless and powerful) **We're gonna... Sing!**

Cue Song: This Little Light Of Mine

Praise team sings along too.

All join in and begin to do hand motions and smile and invite the boys to join in... The boys at first are stunned that the town's people didn't beat them up, they look confused, but finally, Dufford joins in as the crowd walks towards the audience to sing... Then the other brother, Bufford puts down the light and runs to join in.

Clifford picks up light, puts it back onto church and joins in.

STORY TELLER: Well, that's the end of our story. I guess everything is better than okay at the Okay Corral... (Looks left and right and up and down for the sound, but there is none!) **Why... It's down right glorious!**

Let's pray: Repeat after me,

**Father in heaven
You tell us that Jesus
Is the Light of the World
And Jesus, you tell us
That we are the light of the world.**

**Thank you for shining
In and through me
In Jesus' name I pray
And everyone said, "So be it!"**

God bless you'all!
